## Utrecht Excellence Scholarship

### Term & conditions

#### Eligibility

Note that you are only eligible for the scholarship if:

- you are formally enrolled as an Utrecht University Master student starting on September 1<sup>st</sup> 2012 for the abovementioned master's programme; and
- you do not qualify for the statutory tuition fee.

If you are awarded a scholarship by the Dutch government, this will take precedence over your Utrecht Excellence Scholarship, and the UES offer will be withdrawn.

#### Proof of sufficient financial means

You will need to provide proof of sufficient financial means for your visa and/or residence permit. Please note that UES usually is not a full scholarship. You will need additional funding to be able to finance your study and living expenses in Utrecht. You do not have to provide proof for your UES scholarship, as this information is available at the University. You may need to pay (part of) your tuition fee before June 1<sup>st</sup>. More information will be provided in due time.

#### Withdrawal

Should you decide not to complete the programme, part of the grant will have to be refunded, the exact amount depending on when you stop studying. Also please be aware that you are no longer entitled to receive an Utrecht Excellence Scholarship if you do not comply with the above mentioned conditions.

#### Duration of the scholarship

If your Master's programme has a duration of more than one year, you can apply for an extension of the scholarship in April 2013. The results of your first year will be assessed by the Utrecht Excellence Scholarship committee, and if they are in accordance with the Satisfactory Academic Progress Policy the scholarship will be continued. Note that the Utrecht Excellence Scholarship will only be continued for the duration of the Master's programme, and if you meet the requirements for Satisfactory Academic Progress but do not complete the programme within the allotted time frame, the remainder of the cost of the study programme must be met by you.
